Brinson Strickland and Kyle Gustie are two of the best corporate producers in the industry. They have one way of doing business...FIRST CLASS. They do more than "produce" shows, they create events, down to the very last detail. Working with 262 Five is always a win - win for everyone.

Chris Burke
VP Corporate and Special Events
William Morris Agency

It was a pleasure working with professionals of your caliber. If the events business ever slows down, may I suggest a Vegas act doing magic. You performed more magic on our event then Chris Angel and David Blaine combined. Your professional attitude and your team made what can often be a trying experience a pleasure. I will call you anytime I have a production, you can bank on that.

Ken Rose
Recording Academy and GRAMMY Awards

I have worked with Brinson and Kyle for many years. The level of professionalism and experience that they exude on every show makes it any easy decision to work with them every time.

Rob Beckham - V.P.

Over the years we have worked with Kyle and Brinson, many times. We know that when they are going to be at any event we are involved in that everything will be perfect. They are both true professionals and are among the very best in their field.
